

MALAYSIA'S LARGEST AUCTION MARKETPLACE FOR ASSET DISPOSAL

Used and end-of-life equipment, used vehicles, and distress vehicles find new life at auction.

Why sell with Pickles?

Pickles is the leader in asset disposal. Our thriving auction marketplace consistently generates better financial returns. Our competitive and transparent bidding environment is also one of the reason why our vendors continue to pick Pickles to be their asset disposal partner.

Why choose Pickles?

Pickles Asia is a wholly owned subsidiary of Pickles Australia, the group has extensive experience in unlocking value for vendors whilst providing superior purchasing experiences for buyers. Today, we are the leading auction and valuation specialist in the Asia Pacific region. We have 7 storeyards across Malaysia; Petaling Jaya, Sg. Bakap, Seelong, Kuantan, Kuching, and Tuaran, Kota Kinabalu.

Join our weekly Live & eBidding Auctions!

We offer hundreds of assets for auction ranging from salvage wreck scrap vehicles, used cars, bank repossessed cars and motorcycles, transport and logistic vehicles, manufacturing equipment and heavy machinery weekly.

Download the Pickles Auctions App and get started today.
